

## EY Centre Loading Dock Directions

**4899 Uplands Dr, Ottawa, ON K1V 2N6**

If you search the EY Centre in any mapping application, it should take you directly to the conference building. Hall 4 is on the left side of the building and the our loading dock overhead door is located directly behind Hall 4.

Once behind the left side of the venue, there will be 1 overhead door with an I Heart Beer coordinator to welcome you and collect your paperwork.

**LOADING AREA ARRIVAL:** Once you've arrived at the designated loading area, please drop off your certificate of insurance and your invoice/receipt (Drink Vendors only) with the **SOP # on it** in the designated boxes near the loading area door..

**CARTS:** There will be 4 carts at the loading area. Feel free to use a cart but please bring it back as soon as you are done using it. We recommend bringing your own cart to speed up your process.

If you have any questions or concerns, please reach out to [Haben@iheartbeer.ca](mailto:Haben@iheartbeer.ca)
